

The 2024 Pay for Performance Program

The YouthCare Pay for Performance (P4P) Program is a pay-for-performance incentive program for our contracted providers. We reward our partners in care for delivering quality preventive healthcare services such as immunizations for children and adolescents and well-child visits to members.

The following grid is a quick reference to the 2024 YouthCare P4P incentives for Primary Care Providers (PCPs). Please contact your Meridian Provider Relations Representative at ILProviderRelations@mhplan.com or our Provider Services at 844-289-2264 with questions.

The quickest way to access updated program information is via the [secure provider portal](#). There you can view updated performance data, target percentile status, and payments earned year to date.

Incentives are paid after completion of all qualifying services in compliance with HEDIS® 2024 guidelines. A complete list of covered codes for these measures can be found within the [HEDIS Quick Reference Guide 2024](#) on the YouthCare [website](#). The incentive is paid to the Primary Care Provider at the Provider TIN level. YouthCare maintains the right to modify or discontinue the P4P Program and will notify providers of any changes or incentive program alterations.
